Energy

WHY choose PROPANE?

**INSTALLS SAFELY &
EASILY IN ANY HOME**

**HEATS QUICKLY & IS
VERY ENERGY EFFICIENT**

**LESS EXPENSIVE THAN
ELECTRIC**

For nearly 100 years,

Premier Energy has been serving the heating needs of homes, farms and businesses. Our local, knowledgeable service professionals provide safe, reliable, affordable heat through a wide variety of purchase and delivery options. Our convenient delivery and payment options are catered to meet your needs. With our automatic fill programs, you will never go without heat.

Gold Cap

PROGRAM

***OUR RECOMMENDED PROGRAM**

**STAY PROTECTED FROM PROPANE PRICE SPIKES
WITH A CAP ON THE PRICE YOU PAY**

- Risk-free price cap no matter how high prices rise
- You get the lower price when propane costs are below your cap
- Receive scheduled delivery service so you never have to worry about checking the level of propane in your tank
- Pay for your fuel with each delivery or choose to make 11 equal payments
- Payments calculated at the estimated price
- Convenient payment options with EFT or personal check
**with credit approval*

Pre-Pay

PROGRAM

LOWEST PRE-SEASON PROPANE RATE

ONE SIMPLE PRICE, ONE ADVANCE PAYMENT

- Receive one fixed rate for your propane which will help save costs if fuel prices rise
- Make a single payment in full at enrollment
- Receive scheduled deliveries at your fixed pricing rate for a 6-month term; at the conclusion of the 6 months, any credit on your account from your pre-pay amount will be applied towards next year's program
